

## Forest Fungi: Mycology Lecture & Forage

Saturday, October 5, 2019

**Instructor:** Michael Beug, local mycologist

**Location:** Mt. Adams Institute, 2453 Highway 141, Trout Lake, WA 98650

**Time:** 9am - 3pm, bring a sack lunch

**Cost:** \$30

**Participants:** Limited to 20 people

### *About the Mycology Lecture & Forage Workshop*

Join local mycologist Michael Beug to learn about the vast communities of fungi in the Gifford Pinchot National Forest and Pacific Northwest. A former Evergreen State College professor and author of award-winning book, "Ascomycete Fungi of North America: A Mushroom Reference Guide", Michael will share his knowledge of edible and inedible mushrooms alike, tips for identification, and more. The lecture will last from 9-11 am followed by a mushroom forage in the forest afterwards (participants should bring a sack lunch).

All ages welcome! No experience in mushroom foraging necessary.

### *About Mt. Adams Institute Community Workshops:*

Mt. Adams Institute's Community Workshops offer wonderful opportunities for us to build community, explore the natural beauty of the Columbia River Gorge, highlight local skills and passions, and raise scholarship funds for Cascade Mountain School students. The costs of the workshop directly contribute to the Cascade Mountain School scholarship fund, which provided over 40 youth 6-18 years old in the Columbia Gorge and Portland with over \$13,400 in scholarships to attend our summer camps in 2018. We greatly appreciate the time and contributions of our Community Workshop instructors, many of whom donate their time to support our scholarship efforts.
